

Ovid LinkSolver in Google Scholar

Ovid LinkSolver ist in Google Scholar zurzeit nur für elektronische Zeitschriften aktiviert.

Bei allen elektronischen Zeitschriften (ausser denjenigen die über Ovid lizenziert sind), erfolgt der Zugriff über „Mehr“ und dann „Check for full text“.

The screenshot shows a Google Scholar search result. The search bar contains the text "Impacts of enemy-mediated effects and the additivity of interactions in an in". The search results show 9 results in 0.14 seconds. The first result is titled "Impacts of enemy-mediated effects and the additivity of interactions in an insect trophic system" by C Reigada, SBL Araujo, MAM de Aguiar, and JZ Gião, published in 2013 by Springer. The abstract mentions "intraguild predation (IGP), cannibalism and parasitism occurring in isolation and simultaneously in trophic interactions involving...". A red box highlights the "Check for full text" button, and a red arrow points to it from below.

Bei elektronischen Zeitschriften, die über Ovid lizenziert sind, erfolgt der Zugriff über „Check access to full text“.

The screenshot shows a Google Scholar search result. The search bar contains the text "Using Online Learning in a Traditional Face-to-Face Environment". The search results show approximately 23 results in 0.09 seconds. The first result is titled "Using online learning in a traditional face-to-face environment" by D Kozlowski, published in 2002 by ncbi.nlm.nih.gov. The abstract mentions "A model for designing online learning was developed and implemented in a Registered Nurse-to-Bachelor of Science in Nursing course using online and face-to-face methodologies. The combination of online and face-to-face learning modalities may help...". A red box highlights the "Check access to full text" button, and a red arrow points to it from below.

Falls der gewünschte Artikel in einer lizenzierten elektronischen Zeitschrift, aber nicht in einem lizenzierten Jahrgang veröffentlicht ist, wird in den lokalen Bibliothekskatalog verlinkt. Dort sehen Sie, ob der entsprechende Jahrgang allenfalls in gedruckter Form verfügbar ist.
